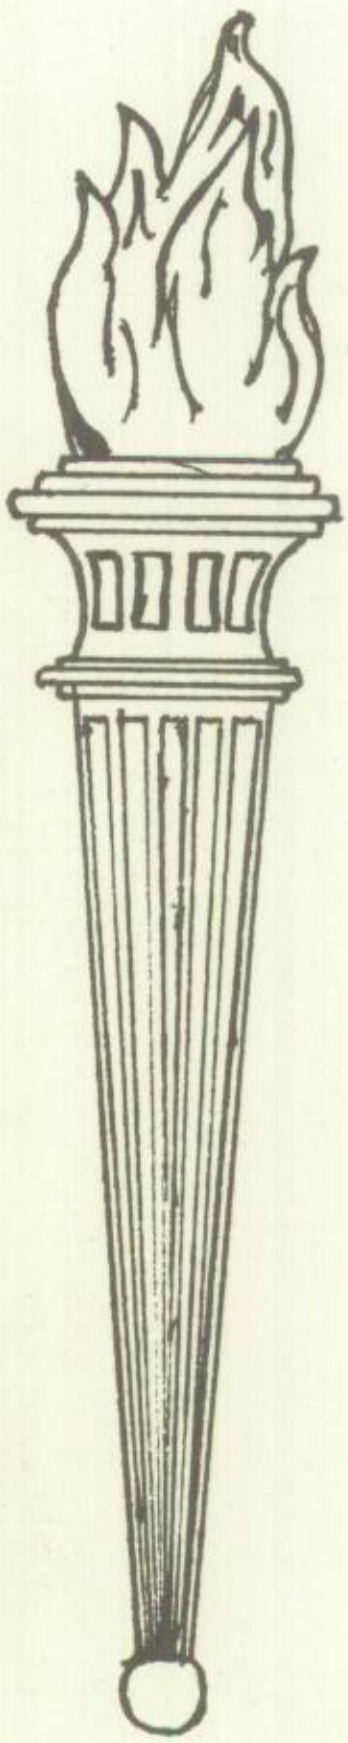
CATHEDRAL HIGH SCHOOL

Gallup, New Mexico

School Patron - Sacred Heart



dedication

We, the Senior Class of 1953, dedicate this issue of The Torch to St. Jude, the great servant of God, who has bestowed shining miracles on all mankind throughout the ages. We pray, O St. Jude, that you, who have guided us through our high school career may lead us to our eternal goal.

St. Jude, Patron of the Senior Class, pray for us!

We pray that Almighty God may have mercy on this stricken world, and cause mis-understanding and hatred to cease, truth and charity to prevail, and that under His guiding Spirit the nations may soon enjoy the blessings of a lasting peace. — Pius P.P. XII

His Excellency

The Most Rev. Bernard T. Espelage,
O. F. M., D. D.

Bishop of Gallup

. . . . His Excellency, The Most Reverend Bernard T. Espelage, O. F. M., D. D., was consecrated the first Bishop of Gallup, New Mexico, on October 9, 1940, at St. Monica's Cathedral, Cincinnati, Ohio.

As the only Franciscan member of the Hierarchy in the United States, Bishop Espelage furthers the Catholic faith in a field rich in Catholic tradition which had its beginnings over four centuries ago. Years of previous work in the Southwest have given His Excellency a knowledge of the problems which confront him in this missionary region. He has always shown himself to be vitally interested in the students of Cathedral High.

OUR ALMA MATER

Our future has now begun
Again a door swings wide——
A promise, yet a challenge, too,
And we meet it with joy and pride.

Through this open door we see a path
That winds as the years unfold;
We shall journey along——on our lips a song,
We face all with our hearts so bold.

We face these years ahead of us
With memories so happy and gay——
Our Teachers, our friends and our classmates
all,
Studies, parties, classes and play.

We love the dear school days gone by,
And loyal to them, we shall be;
The lessons you've taught and the goodness
you've brought
Will brighten our future with glee.

For the future we face——and face it we must,
The path we shall walk with firm tread;
Unfaltering steps, strengthened by faith
Shall stand each of us in good stead.

As our future begins, and we bid you farewell,
Our hearts ring out boldly in song,
Bidding us all to hasten forth
Into a world we shall help to make strong.

Forward we go in search of good——
Out toward the golden rule,
Toward hopes, toward courage, toward faith,
and toward trust,
As we say "goodbye" dear old school.

You will linger forever in thoughts of pure gold;
May our loyalty, always be true,
Your banner we'll hold, dear green and white
As we bow and say fondly "Adieu".

ADMINISTRATION

Tribute to our Teachers

Our teachers have rare wisdom
As shown in their patience and skill,
They act with prudence and freedom
Bestow love of their own free will.

They work not for earthly glory
But for merits registered above,
Their life is an unwritten story
Of sacrifice, devotion and love.

The lives they touch, the good they do
Shall never know an end,
Proud are we to call them
Our Teachers and our Friends.

To The Seniors of 1953 and Our Students:

No success that you may hope to attain in this world will be achieved with any satisfying results unless you have mastered the principles inculcated here. A spirit of self-sacrifice must govern your every act. You must be willing to persevere even when apparent disaster stalks your path. The standard of the Cross is your victory banner. Hold it high above you and with a steady hand.

When there are insurmountable difficulties before you, know where to turn for aid. Never feel so sure of yourself as to think that you can walk alone. Only he is deserted who wished to have it so.

You have chosen a great patron for your class. He will see you through every trial, every injury, every disappointment, if you give him a chance at the right time. Match his offer with your confidence.

IN MEMORIAM

Carlos was our pal. . . .sincere, cheerful, loyal. In or out of our classrooms, his pleasing personality reached out to embrace us all. He always had a friendly word for everyone. Although he suffered for years before he went to his eternal rest, he trusted in his Maker and expressed that trust in his smile. We lost our pal, for God needed him in heaven where he is no doubt, spreading his endless smile.

RELIGION

Light of the World!

Members of the Christian Principles class are working at a research theme

Through the study of Catholic morality, dogma, Sacramental life, and social problems, the student learns to cherish his Faith and better to defend it in a world that has so tragically abandoned its principles and is rapidly shifting to unbelief.
